

**AETHEION®**

*Quintessential Beautification*

# AETHEION®

## ZC

AETHEION® represents a unique one of a kind science that is the foundation of our cosmetic system. Each formulation varies in use, purpose, and concentration.

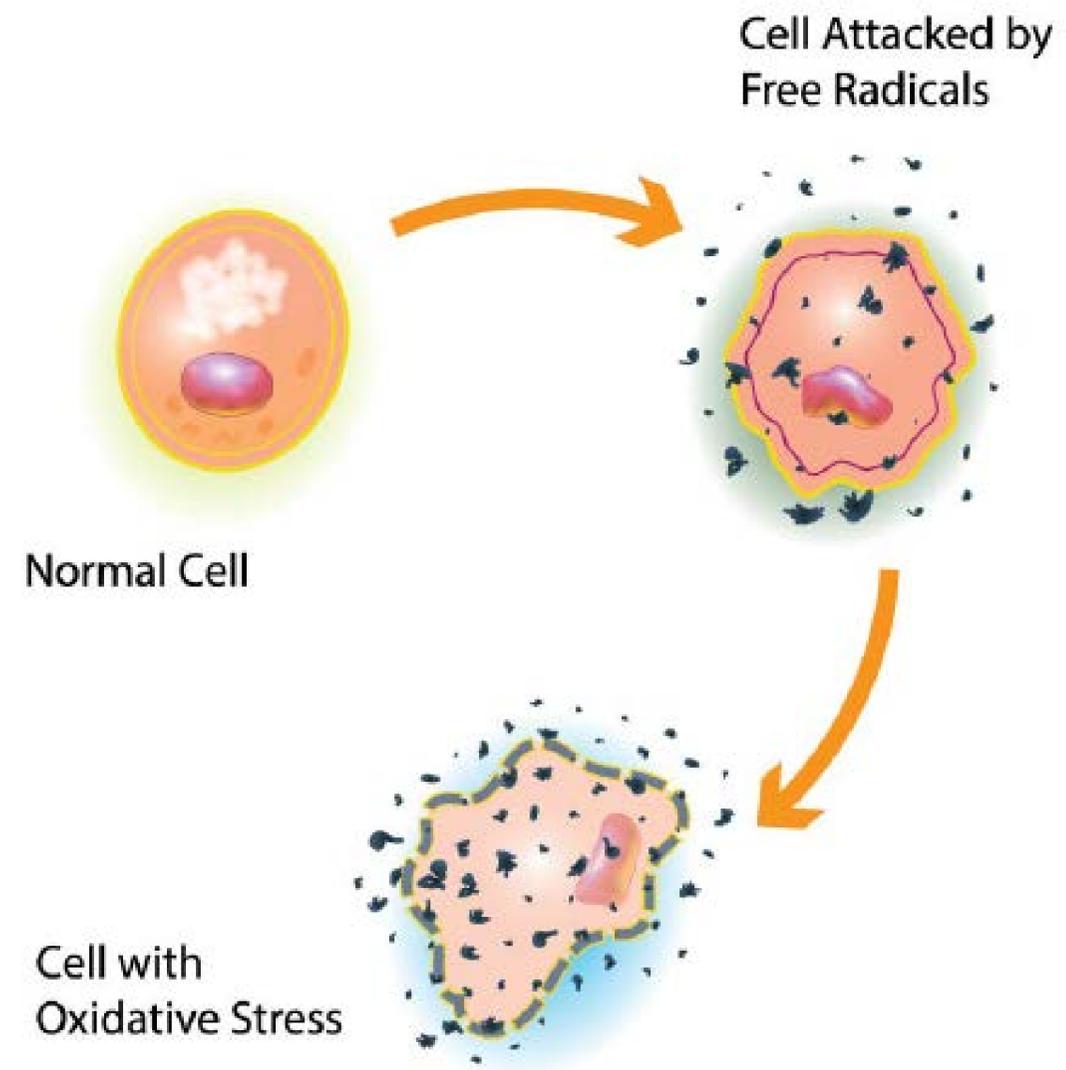

## ZCM

The higher the formula number of an AETHEION® product, the greater the redox potential it contains. You will find that there is no other product out there that compares to our science.

All AETHEION® products contain the proprietary Redox Technology. It has the capability of simulating an ionic zinc-copper superoxide dismutase effect.

Redox Technology is a process of reducing the skin's oxidation by transferring electrons from a radical state to a stress-free-normal condition. Oxidative stress is a form of cellular aging.

The free radical theory of aging states that organisms age because cells accumulate free radical damage over time. A free radical is any atom or molecule that has a single unpaired electron in an outer shell. Free radical damage is closely associated with oxidative damage. Antioxidants are reducing agents and limit oxidative damage to biological structures.

# AETHEION® SERIES

Each has specific characteristics to treat different skin concerns.

# ANTIAGING SERIES

The Anti Aging series reduces the aging signs in the skin, combining powerful and natural ingredients with Redox Technology. AETHEION® nurtures, protects, conditions, and moisturizes the skin with its outstanding combination of quality ingredients, vitamins, and minerals. It helps your body repair the skin and significantly reduces oxidative stress.

A few of these well-proven ingredients are zinc, copper, magnesium minerals, hyaluronic acid, vitamin C, vitamin E (“the anti-aging vitamin”), and various essential oils like frankincense, coconut, almond oil, among others.

# AETHEION® ZC30 ANTI-AGING CREAM

This Daytime Moisturizer combines ZC-30 Redox Technology in an advanced multi-protection antioxidant skin cream that helps prevent aging signs. A combination of vitamin E with the anti-aging power of hyaluronic acid. It helps defend, treat and moisturize your skin, keeps a long-lasting younger look.

## DIRECTIONS:

Using a non-metallic applicator or a clean finger, evenly apply a light coating over clean skin. Do not use this formula if you are pregnant. Keep out of reach of children. If you are taking prescription drugs, ensure no contraindication with the ingredients listed below. Store out of sunlight in a dry, cool area.

## INGREDIENTS:

Water, Cetearyl Alcohol, Sodium Hyaluronate Crosspolymer, Dicaprylyl Phosphate, Ammonium Sulfate, Shea Butter, Dimethyl Isosorbide, Caprylic/Capric Triglyceride, Zinc Sulfate, Ceteth-10 Phosphate, Cetyl Alcohol, Sodium Hyaluronate, Copper Sulfate, D-Gamma Tocopherol, D-Alpha Tocopherol, D-Delta Tocopherol, D-Beta Tocopherol, Farnesol, Citric Acid, Phenyl Dimethicone, Sodium Hydroxide, Silver Citrate, Aminopropyl Phenyl Trimethicone, Boswellia Carterii (Frankincense oil) and Mentha piperita (Mint oil).

## PRESENTATION:

1.7 OZ – 50 ML, and 0.5 FL OZ – 14.8 ML

# AETHEION® ZCM30 SYNERGISTIC LOTION

PRESENTATION:  
0.5 OZ – 14.8 ML

A Synergistic Therapy that nurtures, treats, protects, conditions, and moisturizes the skin. Designed for a daily application of anti-aging using vitamins C, E & K as antioxidants, and ZCM-30 Redox Technology of Zinc, Copper & Magnesium to repair. Formulated for lasting protection & treatment with a hyaluronic acid moisture shield, enhanced by a botanical blend of pure essential oils of Aloe, Coconut, Rosehip, Mint, Lemongrass, Frankincense, and Moroccan Argan.

#### DIRECTIONS:

Shake bottle before each application. Using a clean finger, evenly apply a thin coating. Apply once daily or less often as desired. It is a cosmetic product for external use only. Store out of sunlight in a cool, dry area.

#### INGREDIENTS:

Water, Caprylic/Capric Triglyceride, Aloe Barbadensis Extract, Glycerin, Tocopherol, Zinc Sulfate, Ammonium Sulfate, Polyglyceryl-3 dicitrate/Stearate, Stearic Acid, Glyceryl Stearate, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Cetearyl Alcohol, Prunus Dulcis Oil (Almond Oil), Coconut Oil (Cocos Nucifera), Beeswax, Ascorbic Acid, Calendula Officinalis Extract, Magnesium Sulfate, Copper Sulfate, Sodium Hydroxide, 7-Dehydrocholesterol, Polysorbate 20, Farnesol, Citric Acid (and) Silver Citrate, Allantoin, Potassium Iodide, Citrus Sinensis Peel Oil Expressed (Orange Oil), Mint Essential Oil, Xanthan Gum, Melaleuca Alternifolia Oil (Tea Tree Oil), Cyanocobalamin, Beta-carotene, L-Selenomethionine.

# 2+ TOPICALS® NUTRITIONAL HAND SPRAY

PRESENTATION:  
0.34 OZ – 10 ML

Nurture your hand's skin, body, and hair. A daily skin spray containing mineral cations supporting specific functions: copper to promote collagen and elastin formation, magnesium to provide energy to skin cells, and zinc to maintain the overall health of your skin. The very best mineral supplement is created by a pure formula of mineral cations to take care of your skin at the cellular level. Quite practical, it fits in the pocket or purse, and can be used anywhere on the body. Can be easily refilled using the 2+ Topicals® Nutritional Body Spray 4 oz – 118 ml

#### DIRECTIONS:

Shake before each use. Do not allow the product to touch metal. Keep from eye contact and ingestion. This product is explicitly a body spray for topical use only. Use daily on application areas or spray directly over clean skin. Continue spraying affected areas with the serum 2 to 3 times per day or as needed.

#### INGREDIENTS:

Water, Ammonium Sulfate, Zinc Sulfate, Magnesium Sulfate, Copper Sulfate.

# 2+ TOPICALS® NUTRITIONAL BODY SPRAY

PRESENTATION:  
4 OZ – 118 ML

Nurture your skin and hair with precision. A daily body spray containing mineral cations supporting specific functions: copper to promote collagen and elastin formation, magnesium to provide energy to skin cells, and zinc to maintain the overall health of your skin. The very best mineral supplement is created by a pure formula of mineral cations to take care of your skin at the cellular level.

#### DIRECTIONS:

Shake before each use. Do not allow the product to touch metal. Keep from eye contact and ingestion. This product is explicitly a body spray for topical use only. Use daily on application areas or spray directly over clean skin. Continue spraying affected areas with the serum 2 to 3 times per day or as needed.

#### INGREDIENTS:

Water, Ammonium Sulfate, Zinc Sulfate, Magnesium Sulfate, Copper Sulfate.

# 2+ TOPICALS® MINERAL MIST

PRESENTATION:  
1.0 fl OZ – 30 ML

2+ Topicals® Mineral Mist is a drug-free rinse for clearing dust, pollen, and other air-borne environmental irritants that cause damage. Strengthen your very first line of defense with a unique technology of cations using minerals of Zinc — Copper — Magnesium — Sulfur — Hydrogen, and Ammonium salts (Urea and Amino acids).

2+ Topicals® Mineral Mist improves your skin health by revolutionizing nutrient uptake with an essential mineral moisturizing spray. Hydrate your sensitive areas beyond the ordinary with a mist of proprietary technology providing higher penetration and absorbency. Increase relief by solving the cause of the problem, damaged linings caused by dust, pollen, and other airborne environmental irritants.

#### INGREDIENTS:

Distilled Water, Sodium Chloride, Ammonium Sulfate, Zinc Sulfate, Magnesium Sulfate, Copper Sulfate.
