

AETHEION®

Quintessential Beautification

AETHEION® represents a one of a kind science that is the foundation of our cosmetic system.

AETHEION®

Formulations

Each formulation varies in use, purpose, and concentration. The higher the formula number of an AETHEION® product, the greater the redox potential it contains.

You will find that there is no other product out there that contains or compares to our science.

AETHEION®

Redox Technology

All AETHEION® products contain the proprietary Redox Technology. It has the capability of simulating an ionic zinc-copper superoxide dismutase effect.

Redox Technology is a process of reducing the skin's oxidation by transferring electrons from a radical state to a stress-free-normal condition. Oxidative stress is a form of cellular aging.

The free radical theory of aging states that organisms age because cells accumulate free radical damage over time. A free radical is any atom or molecule that has a single unpaired electron in an outer shell. Free radical damage is closely associated with oxidative damage. Antioxidants are reducing agents and limit oxidative damage to biological structures.

AETHEION® SERIES

Each has specific characteristics to treat different skin concerns.

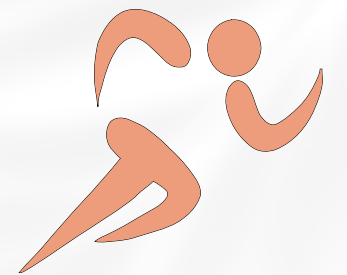

Professional Series

Powerful Professional-grade topical products that can help reduce oxidative stress in your body.

Sports Series

Helps relieve inflammation caused by sports injuries, sunburns, and other conditions.

Anti Aging Series

Helps prevent wrinkles from forming in the first place and reduce the ones that are already there.

Multivitamin Series

Contains vitamins and minerals that absorb through the skin. The result is healthier hair, skin, and nails.

Professional Series

The Professional Series promotes cellular relief and rejuvenation at the highest level. These formulations combat free radicals with the highest strength of Redox Technology. Each is then blended with synergistic vitamins as top antioxidants combined with essential minerals Zinc, Copper & Magnesium to reduce superoxide.

Like all the AETHEION® Series, the Professional Series products contain high-quality ingredients that provide maximum benefits while being gentle on your skin, allowing you to use them daily. You can apply them from head to toe to promote skin health!

Professional Series

ZC50 Cellular Support

A high-power ionized minerals mechanism for clearing superoxide radicals from the body. The most effective cream-based antioxidant power ever developed to fight free radical damage and oxidative stress.

Ingredients

ZCM65 Synergistic Lotion

Cellular Rejuvenation at the highest level. A full-force therapy that nurtures, protects, conditions, and moisturizes the skin. It is a powerhouse of vitamins C, E & K as anti-oxidants and ZCM-65 Redox Technology of Zinc, Copper & Magnesium to repair.

Ingredients

Anti Aging Series

The Anti Aging series reduces the aging signs in the skin, combining powerful and natural ingredients with Redox Technology. AETHEION® nurtures, protects, conditions, and moisturizes the skin with its outstanding combination of quality ingredients, vitamins, and minerals. It helps your body rejuvenate the skin and significantly reduces oxidative stress.

A few of these well-proven ingredients are zinc, copper, magnesium minerals, hyaluronic acid, vitamin C, vitamin E (“the anti-aging vitamin”), and various essential oils like frankincense, coconut, almond oil, among others.

Anti Aging Series

ZC5 After Sun

A sunburn relief that combines ZC5 Redox Technology in a gentle spray that quickly restores moisture from excessive sun exposure to the skin and hair. As a result, it will reduce sun damage, sunburn, and free radical damage.

Ingredients

ZCM15 Facial Serum

An antioxidant cleanser that blends ZCM15 Redox Technology in an advanced formulation combined with silver and the ancient power of the calendula plant. ZCM15 Serum significantly reduces damage from oxidative stress, diminishing signs of aging.

Ingredients

Anti Aging Series

ZCM30 Synergistic Lotion

A therapy that nurtures, protects, conditions, and moisturizes the skin—formulated for lasting protection and treatment with a hyaluronic acid moisture shield

Ingredients

ZC30 Anti Aging Cream

Combines ZC30 Redox Technology using zinc copper SOD in an advanced multi-protection anti-wrinkle cream that helps prevent signs of aging.

Ingredients

Soothing Sports Series

AETHEION® Soothing Sports Series helps you get relief from inflammation caused by sports injuries, sun exposure, and other conditions. It also aids with everyday aches, muscle soreness, and more.
